

International Workshop: “Mobile communication and space”

Organized by the Chair of Sociology of Technology and Innovation, TU Berlin

Date: August 9th 2018
Venue: Technische Universität Berlin
Department of Sociology
Fraunhoferstraße 33-36
10587 Berlin
Room: FH 804

The workshop brings together four Japanese and German research projects, each dealing with new forms of mobile communication and space. Each project presents its own research in 15 minutes. After each presentation there will be 15 minutes for discussion and questions about the projects. The final discussion serves to explore future opportunities for cooperation and joint research activities. Guests are welcome and invited to participate in the discussion. We ask for a short registration until August 5th at lomus@sfb1265.tu-berlin.de.
